

Shropshire Moth Group 2018 Programme

The aims of the Group are to record the moths of Shropshire and advance the public's knowledge of them and their place in the natural world.

Why not join us for a moth night and discover the magic of these tiny creatures?

Everyone attends at their own risk and anyone aged 18 and under must be accompanied by a parent/guardian. Please bring a torch and wear outdoor clothing and foot ware suitable for the prevailing weather conditions.

Most of the sites have restricted access or private parking and it is therefore essential that you confirm your attendance to Tony Jacques at rec-vc40@vc40tj.plus.com

Meeting place locations can be found by typing the NGRs into <http://gridreferencefinder.com/bing.php>
